Off-Campus Dinner / Souper à l'extérieur du campus

The Annual CSHM/SCHM Conference Dinner will take place at the Bedford Academy in downtown Toronto.

The Bedford, a bistro-pub located in a former private school in the heart of Toronto's Annex neighbourhood, offers a range of light fare including pastas, curries, pizza, platters and more traditional

pub fare. Weather permitting, we have booked the Bedford's patio for our exclusive use for the earlier part of the evening.

The Bedford Academy is located at 36 Prince George Avenue, on the north side between Avenue Road and Bedford Avenue. The best way to get there from York University is by Subway. Take the 196 A or B University Rocket Express Bus to the Spadina-University Subway line and then the subway south, getting off at the St. George Station. Use the exit at the east end of the platform onto Bedford Road and walk half a block north to Prince Arthur and half a block east to the restaurant.
